

## Aching Arms

Aching Arms is a baby loss charity run by a group of bereaved mothers who have experienced the pain and emptiness of leaving hospital without their much wanted baby. Our aim is to raise awareness of the impact of pregnancy and baby loss and bring some comfort to bereaved parents and their families after the loss of a baby. We provide Aching Arms Bears to hospitals for midwives to give out. We also reach out to mothers and bereaved families who contact us via our website, email, Twitter and post dedicated bears directly.
