

Edmondsham Forest School - 'Adventure In The Woods'

Holiday sessions are available for children from 3 to 8 years of age and occasionally for older children from 8 to 11 years of age, and are open to all children, not just those who attend during the term time. "Adventure in the Woods" sessions are all day Forest School sessions that take place in the woods, unless it would be dangerous to be outside e.g. strong winds. Forest School birthday parties also available. Please call for more details.

Accessibility

Wheelchair accessible

We do not exclude those with mobility difficulties but as our time is spent in the woods, it could present problems for both parent/carers and children in this category. A grassy track makes access to the woods possible with a 3 wheeler pushchair but then the terrain is very rough and problems may occur.

Parking availability information

There is a car park on the edge of the field that we cross to reach the Forest School. Much of the time it is possible to cross the field by car to reach the Forest School but this right is reserved for those with mobility difficulties.

Toilet facility information

We do not have a wheelchair accessible toilet in the woods but it would be possible to lift a young child into the toilet.

Other Facilities

The setting of the Forest School may present difficulties for those with limited mobility, but it may be possible to cater for other disabilities.

Special Educational Needs and Disabilities Local Offer

Support for children and young people with SEN and disabilities

Please contact Edmondsham Forest School to discuss how we may be able to support your son/daughter.
