

Al-Anon Family Groups

Al-Anon Family Groups provide support to anyone whose life is, or has been, affected by someone else's drinking, regardless of whether that person is still drinking or not. For some of our members, the wounds still run deep, even if their loved one may no longer be a part of their lives or have died. We believe alcoholism affects the whole family, not just the drinker. We are an international organisation with over 800 support groups in the UK and Republic of Ireland. Al-Anon is a fellowship of relatives and friends of alcoholics who share their experience in order to solve their common problems.
