

Moors Valley Country Park Play Areas

Moors Valley is a fantastic place for children to play and explore. The play trail with its unique pieces of wooden play equipment; you can explore inside a giant 'Ants Nest', wriggle through giant snakes in the 'Snake Pit', attempt the 'Crocodile Crossing' and balance on the fallen forest of 'Timber'. The trail is only a mile long but with so many exciting pieces of play equipment you should allow at least an hour to complete it all. Trail is suitable for pushchairs and most mobility scooters. The tree top trail is a 5 metre high and 200 metre long wooden walk way amongst the trees and allows you to get a real bird's eye view of the Forest. There are also two imaginative play areas close to the Visitor Centre. The Adventure Play Area, designed especially for older children, includes a zip slide, huge space net, climbing boulder and a fortress of towers and crossings with a long tube slide. Younger children will also be enthralled in the Castle and Sandworks area.
