

A Stars Family Activity Group

A-Stars is a local support group for families with a child who has Asperger's Syndrome or any other Autistic Spectrum Condition. We meet at the Asperger's Base at Budmouth Academy Saturday morning between 10.30am and 12.30pm, unless otherwise engaged in outside activities - you can see our planned activities page on our website. We are providing a place where whole families can come along and socialise with each other and join in the activities if you want to. We are very keen that brothers and sisters of ASC children feel able to come along. Not only can you take part in activities if you wish, you can also socialise with other children who have autistic siblings. We pride ourselves on offering a safe yet stimulating non - judgemental environment for c
