

## Mrs Julie Burden Acorns Childminding Services

Acorns is situated in a large, detached house up a quiet track with plenty of space. The children will enjoy the enclosed garden incorporating a large play house, water area, sand and construction area and nature area. We have bikes, slides and sport activities too to build on all areas of learning whilst having fun! I have been a Primary school teacher for 15 years before leaving to become a childminder so ensure the children in my care mix learning with play to ensure they are ready for school when they leave. Trips and craft are planned for weekly and we follow a topic based curriculum meaning the children enjoy new toys and resources every month!
