

Parenting Programmes With Action For Children Dorset

Action for Children Dorset runs a number of different services for children, young people and their families across the county. We're here to help you learn how to support your children in all areas of their development. All of our courses aim to help you feel more confident in dealing with your child's behaviour by building up a store of ideas, skills and techniques for coping. You will explore how to enjoy playing and spending time with your child and discover ways of encouraging positive behaviours.

Service Details

Additional Information We run different Incredible Years programmes for parenting of all ages including, pre-school, school age and for parents of children aged 6 to 12 with a diagnosis of ADHD. If you are interested in attending one of the parenting programmes we offer, please contact a health professional such as your health visitor, GP, school nurse, family outreach worker or pastoral care who can complete a referral form for you. Alternatively, please contact us for more information. Please see our website for our programme schedule across Dorset. Services would be delivered at various outreach venues.

Referral information If you are interested in attending one of the parenting programmes we offer, please contact a health professional such as your health visitor, GP, school nurse, family outreach worker or pastoral care who can complete a referral form for you.
