

## The Official Test Centre Windsurfing School

The OTC is a windsurfing, kitesurfing and stand up paddling (SUP) centre located right on the water's edge, within the grounds of the National Sailing Academy on Portland. We are accessible at any tide state and exposed to the best wind statistics on the south coast. The OTC has an affiliated RYA/AALA accredited school to cater for all abilities, and has the very latest equipment on hand to test. Visit our website for full information.
