

Day Opportunities With Sturts Community Trust

Sturts Community Trust is an exciting venture bringing together a range of social initiatives built around a vision of promoting sustainability. We have our base on Sturts Farm, a 90 acre working organic biodynamic farm on the outskirts of West Moors. We provide meaningful work activities for people with support needs and encourage personal growth and development. We can tailor opportunities to individual needs and skills, with a range of opportunities. Our Intensive Support team is able to offer 1:1 support where appropriate. We have an: organic farm, market garden, food store, market stall, Gullivers farm shop, creamery and art studio.
