

Dorchester Borough Gardens

The Borough Gardens were laid out to a plan by William Goldring of Kew. The Gardens are located within a few minutes' walk of the town centre with facilities including tennis courts, a refreshment kiosk and a play area. The Gardens are wheelchair accessible from all entrances. There is a fully enclosed play area (play park) which has facilities for all age groups. There is also a splash pool, adult fitness equipment, a bowling green, bandstand, several picnic benches and public toilets. Many family friendly events and activities take place throughout the year in the beautiful Borough Gardens. Events include live band performances, open air cinema, teddy bear picnics, charity fundraisers and much more.
