Accessibility

Wheelchair accessible Some limitations but in general full access in the context of a 320 yr old listed building.
Parking availability information National Trust car park next to the school.
Toilet facility information Ground floor wheelchair accessible facilities.
Other Facilities The school building itself is a 316 year old Grade II listed building. This fact places limitations on the kind of adaptations which can be provided ie: narrow corridors in some areas limits wheel chair access. However, the latest developments to the school environment have been

designed with access in mind and now an increased amount of the school has improved facilities.
