Support for children and young people with SEN and disabilities

Our SEN Policy is in keeping with the Academy's aims, its Teaching and Learning policies, and its Equality of Opportunity as well as National directives and Local guidance. Atlantic Academy is committed to a policy of inclusion: one in which the teaching, learning, achievements, attitudes and well being of all students matter. The Academy believes that all students, regardless of ability and behaviour, are valued equally at Atlantic Academy. Students who have been identified as having different learning requirements are not viewed as a separate entity but are valued and respected as equal members of a learning community where different children's needs are recognised and met through varied and flexible provision throughout the curriculum.
