

Nanny Agency - Freedom Childcare

With 18 years of experience in finding the perfect nanny or babysitter for your family's needs. Our flexible nanny service provides our clients with access to a nanny for one off cover, ad hoc childcare, odd or regular days and times, without having to deal with time consuming employment law or PAYE issues. The service was created as a result of parents telling us they couldn't get childcare when they needed it and didn't want to have to always rely on family to help.
