

The Cardiomyopathy Association

The Cardiomyopathy Association is a charity that provides information and support to families affected by the heart muscle disease cardiomyopathy. The website has information on the main types of cardiomyopathy. If you have been diagnosed with the heart muscle disease follow the links on the left-hand side (website) to find the information on the type of cardiomyopathy affecting you or your family. Our services include a team of cardiomyopathy support nurses, information days around the country, support groups and a network of affected volunteers who provide support to others. If you have any questions we will be happy to help.
