

## St George's CE VA Primary School, Langton Matravers

The school's mission statement is 'Live Learning; Love Learning' and we provide a lively, caring, learning community supported by a team of dedicated staff, governors, parents/carers and many volunteers. We are an all-inclusive Christian school, where all children are valued as unique individuals. St George's is a happy and busy school where we work closely in partnership with parents and carers to ensure that our pupils are inspired to be the very best they can be. We enjoy living in a wonderful environment where enrichment activities are on our doorstep to inspire a lifelong love of learning. We strive to ensure that our pupils are confident individuals, successful learners, responsible citizens and are confident in the knowledge that they are all special.
