Cost(s) £5.00 per Hour

Cost variations I charge sessionally: £10 before school (7.30am - 9am), £30 daytime (9am - 2.45pm), £15 after school (3pm - 6pm) and £50 all day (7.30am - 6pm).

Additional Information Registered Childminder - Primary Teaching degree (2007). I have a strong belief that children are born to try new things and need a vibrant, fun and safe environment to do this in, without worrying about keeping clean or making a mess. Children thrive on new, interactive experiences but need to understand boundaries and limitations. Parents can use their Early Education Funding entitlement at any time during opening hours. I work with an assistant.

Special Educational Needs and Disabilities Local Offer

Support for children and young people with SEN and disabilities	My aim is to support all children with whatever needs they may have. Having worked in schools I have a fair knowledge of the variety of difficulties children may face and often have experience with dealing with them in a classroom environment, working with other professionals. Since becoming a childminder I have worked with children with hearing, speech and anxiety difficulties and aim to support the families in whatever way I can, drawing on relevant support and training when needed. I have good connections with a variety of professionals in the local community.
