

## Lyme Regis Marine Aquarium

Lyme Regis Marine Aquarium is a traditional family run attraction which prides itself on offering visitors a fun and interactive insight into the sea creatures which inhabit our local waters. Situated at the end of the Cobb, Lyme's iconic harbour wall, our mission is to spark your imagination, arouse curiosity and give you an appreciation of the amazing marine life which can be found along the Jurassic coast. The aquarium is brimming with local sea creatures and interesting presentations and historical exhibits. You can also hand feed a mullet fish or hold a starfish.
