**Special Educational Needs and Disabilities Local Offer****Support for children and young people with SEN and disabilities**

I have completed role of the SENCo, inclusion, equality and diversity training. I have in the past supported children with SEND. I dont currently have any children with SEND on role at the moment. I will work closely with parents/child/professionals to find out how best to support a child and will do my utmost to support their needs taking into account the other children in my care. I try to provide an inclusive setting where all children can play together and be treated equally.
