

## Kingston Maurward College

We offer a huge variety of specialist full and part-time work based courses and apprenticeships from entry level to university level courses in many different subjects to help you grow your career. Subjects include: Agriculture, Horticulture, Floristry, Countryside Management, Outdoor Recreation and Leisure, Animal care and Equine studies. Practical work is core to what we do: learning is real, immediate and engaging whether working in the field or in the classroom. All this on our stunning 750 acre estate which includes a Georgian Manor House and Lake.
