

Livability Holton Lee

Livability Holton Lee is a wellbeing discovery centre set in 350 acres of beautiful Dorset countryside. We are part of the Livability family of services. Livability is the disability charity that connects people with their communities. We aim to support visitors in feeling good about themselves by encouraging them to build friendships and develop a sense of accomplishment. From gardening, forestry therapy, arts and ceramics, bird watching, walking and accessible camping, visitors can benefit from an inclusive and supportive community. If you are looking for an activity or are planning a visit, take a look through our range of projects on our website.
