Special Educational Needs and Disabilities Local Offer

Support for children and young people with SEN and disabilities At Sixpenny Handley we have high aspirations for all our children that are identified as having SEND. We strive to ensure that all children achieve their best, that they become confident individuals living fulfilling lives, and make a successful transition into adulthood where they may then enter; employment, further or higher education or training. Currently at our school we are supporting children with physical needs, social, mental and emotional health needs and cognition and learning needs. For more information on SEND provision at Sixpenny Handley First School please contact the SENDco, Mrs Clare Hewitt on 01725 552356
