

## Verwood CE First School and Nursery

### Coronavirus status: open

Our School Nursery provides a high quality nursery education for children aged 2 to 4 years. The quality of the learning environment is very important to us and will enable your child to feel safe, secure and happy in our setting. Whilst at our Nursery your child will have the opportunity to spend their time inside and outside. We have a great outdoor space which includes a garden, a mud kitchen, a play house, sand and water play tables, a construction area as well as an outside shelter. We also have a small adventure play area, where your child can enjoy exploring and climbing. We have use of the main school's excellent facilities including the woodland area and outdoor classroom as well as the hall, jubilee room and sensory and peace room. We will carefully plan learning opportunities to meet children's individual next steps and follow their interests. We will use the schools topic and themes each half term in order to plan exciting activities for the children to be involved in.
