

Janine Long

I am NNEB (National Nursery Examination Board) qualified and have been childminding for 19 years, I have worked with children for 29 years. I offer a warm homely environment and carry out a wide range of activities, we attend various groups as well as going on outings including Moors Valley, the beach, the woods and Avon Heath. I work closely with families ensuring a close bond with both child and their family. I update other settings regularly who share children with me, maintaining close links which then provides the best possible care for the children.
