

## Neptune Aquatics Hydrotherapy At Stourview

At Neptune we understand that it can be difficult to find those activities for the whole family when a child or adult has additional needs. We have a small and friendly hydrotherapy pool in Stourview that offers accessible changing rooms and hoists. Our team is fully experienced in dealing with a variety of disabilities. The disability family swim is specifically for families where any member of the family is disabled. The water is heated to 33 degrees, it has sensory lighting and limited numbers.
