

Riding For The Disabled

At RDA, our horses and ponies provide therapy, achievement and fun to people with disabilities all over the UK. Our network of 500 volunteer groups organise activities such as riding, carriage driving, vaulting and showjumping to up to 25,000 people each year. We offer activities for all age groups and, wherever possible, to people with any disability. RDA is an inclusive and diverse organisation. We welcome clients with physical and learning disabilities and autism, and there are no age restrictions. Through our network of member groups, RDA is at work in every corner of the UK, in our cities and remote rural areas, bringing the therapy, achievement and fun of horses to as many people as we can.
