Our 2 SENCO's (Special Education Needs Co-ordinators) have attended SENCO training, Peic D (Promoting Early Interactive Conversation) and Sign-along speech and language training, updated regularly. Children with additional needs are supported in the setting by tailoring activities to their level of need. We make referrals to outside agencies ie. SALT (Speech and Language Therapy), Portage, health visitors, paediatricians etc. This is done with permission from parents. For the specific needs of your child please contact us for more information.
