

## Mrs Debbie Shepherd

I provide excellent home-based childcare in a caring, friendly environment, where children can be themselves, progressing at their own pace. I have a large range of toys, books and creative materials which children are able to access freely providing all round stimulation. Individualised care and learning is provided for each child enabling children to make excellent progress in all areas of learning. Children play outside every day, either in the garden, local park or local woodland increasing their sense of well-being and ability to learn. All learning is child-centred, and children's interests used to develop planning.
