

Families Online

We believe that Families are not just important - they are everything. Being a family means you are a part of something wonderful, and the best memories are made when families have fun together. On our website you can find things to do in East and West Dorset or Nationally. See what activities and events are available, find recipes and information on cooking with kids, party food and healthy eating. You can also find parenting information regarding money, work and education, child well being and development and help in choosing and finding childcare.
