

The Caterpillar Club At Langside School

Langside School, a special school for children between two and 19 located in Poole. It launched the Caterpillar Club last year with the aim of providing pre-schoolers with disabilities an opportunity for free, fun and friendly play, every Friday morning from 10am to 11.30am for children across Dorset and Hampshire. As well as music, art, sensory toys and an interactive smart board touch screen to aid those with disabilities, the Caterpillar Club also provides opportunities for families as a whole like parents who can meet others who have children with varying disabilities.
