Special Educational Needs and Disabilities Local Offer

Support for children and young people with SEN and disabilities	Piddle Valley CE First School is a small school situated in an attractive rural situation. Our school is founded on Christian values and principles. All members within our school community are valued for their unique individual qualities. There is Early Years Foundation Stage provision in our school's Reception class and our Pre-school. We value our relationship with our parents and carers and liaise closely with them throughout school life; catering for 4 years to 9 years, supporting both parents and pupils with our breakfast and after school provision. We are committed to supporting all children and their families; respecting differences and individual needs. We are part of the Greenwood Tree Academy Trust (GTAT) and we work in partnership with all local schools through the Dorchester Area Schools Partnership (DASP).
