

## Miss Caroline White

### Coronavirus status: open

I have been a childminder for 14 years. I work together with Susie Ensor, from one setting, as co-Childminder's. We provide a safe, warm, homely childcare environment where children are encouraged to be independent, have fun and get messy while learning.

## Special Educational Needs and Disabilities Local Offer

<b>Support for children and young people with SEN and disabilities</b>	<p>A warm, welcoming and accessible environment will be provided to ensure each person feels a sense of belonging and children are encouraged to recognise their own unique qualities and the characteristics they share with other children. I am first aid trained, have completed the 'Enabled Childminder' programme including SEND and practical inclusion and have trained at Level 3 for Safeguarding. I am happy to work with parents and outside agencies to learn any necessary specific skills to support children with additional needs and undertake regular training to ensure up to date knowledge and to enhance my professional development. I will make regular observations of your child. This helps me to understand what stage your child is at and what interests they have. This information then allows me to plan activities and experiences for your child that will continue their development. Regular assessment is made of your child's individual needs and development to further inform my planning for them.</p>
