

Dorset Scouts

Scouts are the UK's biggest mixed youth organisation. We change lives by offering children and young people aged 6 to 25 years fun and challenging activities, unique experiences, everyday adventure and the chance to help others so that we make a positive impact in communities. Scouts helps children and young adults reach their full potential and develop skills including teamwork, time management, leadership, initiative, planning, communication, self-motivation, cultural awareness and commitment. Scouts take part in activities as diverse as kayaking, abseiling, expeditions overseas, photography, climbing and zorbing. As a Scout you can learn survival skills, first aid, computer programming, or even how to fly a plane. There's something for every young person. It's a great way to have fun, make friends, get outdoors, express your creativity and experience the wider world.
