

Mrs Carla Evans, Precious Little People Childminding Service

At Precious Little People your child will have the best of both worlds, they will be spending their days in a loving family home but will benefit from the same sort of learning experiences they would at a pre-school. Our childminding area is specifically set up for many different types of play; sensory, dressing up, open ended play, dancing, yoga, gymnastics, singing, physical play, reading, puzzles, role play etc. Your child will have a family dining room table to sit around with their friends and enjoy meal times, baking, and arts & crafts. Our childminding area overlooks the garden. In the summer months we have the patio doors open and you can feel the sun on your face, hear the birds singing and breathe the fresh air. They will also have regular trips out, we have parent and toddler groups we like to go, a play and learn group, a child minding group, trips to parks, libraries, soft play, children's farms, country parks, railways, splash parks, National Trust places of interest, the

Additional Information My name is Carla Evans, I am 39 years old, happily married with two children of my own aged ten and five. At Precious Little People your child will have a fabulous garden to play in, and they will also have a special childminding area; much like a nursery. Your children will also get the chance to do the normal things all children like to do, like walking up the shop to buy an ice lolly, stopping on the way to blow dandelions, or walking up the road to post a letter, stopping off to see the horses; or feeding the birds, and growing their own flowers. We also have two of the most adorable little Guinea Pigs imaginable. I offer childcare all year round (usually 48 weeks per year). Hours can be flexible and emergency weekend cover is available. Parents can use their Early Education entitlement at any time during opening hours.

Accessibility

Parking availability information	Setting has a driveway.
Toilet facility information	Ground floor toilet, with children's toilet seat, children's stool, potty and individual towels for all the children.
Other Facilities	My home is very bright and spacious, when new parents first visit, they have nearly all said how quiet and calm my house feels. We have a separate lounge, which we call the quiet room. My garden is very big with everything a child could want, plenty of space to run, climbing frame, swing, slide, trampoline, sandpit, wendy house, mud kitchen, sand bench, plant trough, giant scales, bikes, scooters. We also have a large guinea pig run and during the summer the guinea pigs are out in their run every day. All year round the children love caring for our guinea pigs and the guinea pigs definitely calm the children when they sit and stroke them.
