

Mosterton Pre-School

We are a friendly group who operate from a purpose built preschool, in the grounds of Parrett & Axe CE VA Primary School. We have a welcoming atmosphere from adults and children. We encourage child initiated play and independence. The children help to prepare and cook their snack. All our staff hold suitable child care qualifications. We run an optional lunch club everyday where the children can eat their packed lunch. We welcome all children and parents into our wonderful preschool. We are a charity which is run by a committee.

Special Educational Needs and Disabilities Local Offer

Support for children and young people with SEN and disabilities

At Mosterton Preschool we have a named, trained SENDCO. In the past we have supported children with a wide range of SEND's, including Autism and Speech & Language difficulties. We have excellent links with our local Portage team and local Health Visitors and are able to make referrals to all necessary link professionals. We build a package of SEND support based on the individual needs of the child. Our newly purpose-built pre-school is fully accessible, with easy access to our outdoor area. As a small, friendly preschool we are happy to discuss your child's individual needs in more detail. Please contact the preschool to talk about how we can support you and your child in accessing the best start.
