

## Weymouth College Job Club And Careers Advice At Littlemoor Library

Weekly on Wednesdays at 9.15am to 10.30am - Job Club supports unemployed people with personal and practical help, and the skills and encouragement they need to get back into work as quickly as possible. Working closely with local groups and volunteers, Job Club provides a place for individuals to regain their confidence and self-esteem by working together and with dedicated volunteers. This is a drop in sessions so pop in for a chat and see what support we offer for free, including: cv writing, skills analysis, interview preparation and practice, workshops, training advice, basic IT skills and more. We also offer Careers Advice, however this needs to be booked in advance.
