

Honeybrook Adventure Farm

Visit us for a fun day out where you can see the farm animals, ride the new extended train along the riverside, view the farm from up high on the bumpy tractor trailer ride, explore 84 acres of river meadows, see a Victorian Farm and have a go at many fun activities. If it's raining then enjoy the indoor soft play centre. There is ample free parking and you are welcome to bring your own picnic. Light refreshments are available in the Great Barn.
