

Owl Town Farm Workshop

Town Farm Workshop provides care and support to adults, young people and children with Learning Difficulties, Mental Health needs and Acquired Brain Injury. Activities include crafts, gardening, horse riding, pottery, weaving and swimming. We offer a fixed weekly schedule of activities (subject to adjustment for seasonal activities.). Using our schedule, each individual creates and follows a weekly timetable of their chosen activities on an ongoing basis, subject to regular reviews during the year. We develop and include new activities in response to appropriate requests or needs.
