

Little Giants - Shaftesbury Youth Club

"Little Giants" is a voluntary youth club that runs once a month on a Saturday morning. It caters for children and young people with a variety of special needs. The youth club enables our members to socialise and play in a way they probably could not do at other clubs. They are accepted whatever their special need might be. The children's parents have said that "Little Giants" is a life line for them as well as their children; they get a chance to meet other parents who are in the same boat as them and pick up tips and advice from each other. They have the choice to stay for the 2 hours and enjoy a cup of tea and a chat or they can leave their children with us for a small well deserved break, perhaps to nip to the supermarket to do their shopping without the stress of taking a child with special needs.
