

Mrs Janet Gray

I provide a variety of activities within my home and access environments locally to support children's learning and development. I feel I have a traditional approach to childcare and am committed to supporting children to learn through play. We enjoy getting messy through home based activities or visiting local environments. I have recently joined the Forest Childcare Association to enhance the learning and development of children when visiting out door environments. All school runs are undertaken by foot and children enjoy trips by public transport. I can be flexible to meet the needs of children and their families.
