

## Little Bees Childminding

Available for childcare from September /January. I aim to provide a warm and welcoming home from home atmosphere for the children in my care. All activities will be planned around the children and their interests. The setting has a large and bright playroom with direct access into the garden for exploring. I have worked in education for 6 years as a tutor before deciding to become a childminder. Activities at Little Bees might look like: library visits, play groups, exploring and playing outdoors, arts and crafts and cooking.
